Grand Inquiry In the Ports of Vice Landing

The Prime Minister of the Confederacy of Allied Republics, Viola Rose Harewood Silverthorn, in conjunction with King Ivannar Stoneforge the First of the Forged Kingdom and the three Consuls of the Forbund Af Nisse, have called for a Grand Inquiry into the ports of Vice Landing to investigate the presence of the Cult of Rum'at Abi. The Goblin Kingdom, at the behest of King Ixno Dynda Xipetotec XXXI, has appealed against the requirement of a full Grand Inquiry, stating that Vice landing has not shown any prior evidence of the cult in the past. The inspectors of the Grand Inquiry have agreed to keep their investigation to just the ports and ships entering and leaving Vice Landing, but reserved the right to do a full investigation into Vice Landing itself. Suffice it to say, the Goblin Kingdom is not pleased and tensions rise between the sovereign nations as they continue to look to settle Antioch.

Manama Pearl Divers Make Outrageous Claims

Pearl Divers in Manama claim that Aethereal creatures are stealing cargo from pearl diving vessels. The rumor has spread like wildfire among sailors in Manama. So far Authorities and Aethereal Scientists claim there is no evidence of any abnormal Aetheric activity in the port of Manama, but the superstitious sailors claim that local authorities are covering up the truth.

Remsford Gubernatorial Primaries Are Over

After a much heated primary election season, Remsford has finally put forth two candidates for Governor to replace retired governor Sarah Jane Cuttingham. Thousands of people begin to flock to Remsford as the political campaigns begin to hire people for rallies, debates and fundraising events. The two candidates, Landon Bentley Tennison and Alfred Milton Chestercliffe, are long standing political rivals and the campaign season looks to be an impassioned one.

Antioch Shows Evidence of Native Durish Species, the Tenggin Dur

Reports have come back from Stoneforge and Co. agents that native Dur living on Antioch have been found. It was previously believed that Antioch was populated by Orcs and animals, but this first contact with a native peoples expands the possibilities within the continent. Information is currently scarce, but what we do know is that they tend to live in the swamps and caves of Antioch and that they are proficient in the occult.
